Upload Confirmation & Disclaimer

By uploading documents to ISOGuardian, you acknowledge and agree to the following:

1. You confirm that you have the necessary authority and rights to share these documents with us.
2. You acknowledge that the documents may contain personal information (including special personal information such as health, safety incident details, or similar sensitive data relating to individuals).
3. You represent that you have a lawful basis under POPIA to collect, process, and share this information with us for ISO compliance management purposes (e.g., legitimate interest, contract performance, or explicit consent from affected individuals where required).
4. You agree that we may process, store, and display the uploaded content (including any personal or special personal information) solely to provide the ISOGuardian compliance management platform, in accordance with our Privacy Policy and Data Processing Agreement.
5. You will not upload any data that violates third-party rights or applicable laws.
